## John Fleis Youth Scholarship Fund

**Participate. Educate. Recreate.**

**All proceeds from the 5K Run/Walk & Youth Race will go to benefit the John Fleis Youth Scholarship Fund.**

John Fleis graduated from La Crosse Central and then from UW-La Crosse. In 1945 he became a teacher and high school coach in the Madison area. In 1959 he quit teaching and moved back to Onalaska and started his own Insurance Agency. His love for sports and coaching led him to start the Onalaska Park and Recreation Program in the early 1960's. With many unpaid volunteers, tennis, basketball, baseball and golf were some of the initial programs offered. After a few years of running the program with volunteers, the City of Onalaska took the program over and hired their first director. Upon John's death in 2009, the family established the John Fleis Youth Scholarship Fund for Onalaska Park and Rec to provide financial assistance for families of the community to participate in Park and Rec programs.
