

CITY OF ONALASKA MEETING NOTICE

COMMITTEE/BOARD: Parks & Recreation Board

DATE OF MEETING: February 23, 2015 (Monday)

PLACE OF MEETING: 415 Main St. (City Hall – Room 112)

TIME OF MEETING: 5:15 P.M.

PURPOSE OF MEETING

1. Call to Order and roll call.
2. Approval of minutes from the previous meeting.
3. Public Input (Limited to 3 minutes/individual)
Consideration and possible action on the following items:
4. Approve Commercial 104” Lawnmower purchase. Bids are due at 10:00 am on Feb. 23.
5. Review and discussion of 2015 Comprehensive Plan Update, Chapter #5 - Utilities & Community Facilities.”
6. Review 2015 Summer Activity Guide
7. Approve 2015 Youth T-shirt printing to:
 - a. B&B Graphics in the amount of \$4.00 for 50/50 blend shirts
 - b. Games People Play in the amount of \$5.50 for Performance Shirts
8. Review and consideration of possible action for the acquisition of property in Van Riper Park for State Trunk Highway 35 project with Wisconsin Department of Transportation.
9. Approve partnership with Onalaska School District and City of Onalaska for improvements to Northern Hills and Irving Pertzsch Schools.
10. Report from Onalaska Enhancement Foundation
11. Report from Great River Landing Committee
12. Director’s Report
 - a. Parks Update
 - b. Recreation Update
 - c. Aquatic Center Update
 - d. Omni Center Update

Adjournment

PLEASE TAKE FURTHER NOTICE that members of the Common Council of the City of Onalaska who do not serve on the Board may attend this meeting to gather information about a subject over which they have decision making responsibility.

Therefore, further notice is hereby given that the above meeting may constitute a meeting of the Common Council and is hereby noticed as such, even though it is not contemplated that the Common Council will take any formal action at this meeting.

NOTICES MAILED TO:

Mayor Joe Chilsen		*Gretchen Newhouse
*Ald. Erik Sjolander		*Andrea Benco – Chair
Ald. Jim Olson		*Brian Udermann - Vice Chair
Ald. Jim Bialecki		*Mitch Moths
Ald. Jack Pogreba		*Andrea Vogler

Notices Posted and Mailed: 2-19-15

In compliance with the Americans with Disabilities Act of 1990, the City of Onalaska will provide reasonable accommodations to qualified individuals with a disability to ensure equal access to public meetings provided notification is given to the City Clerk within seventy-two (72) hours prior to the public meeting and that the requested accommodation does not create an undue hardship for the City.

5.0 Utilities and Community Facilities

5.1 Existing Conditions

5.2 Assessment of Future Needs

5.3 Utilities and Community Facilities Goals, Objectives and Policies

Wis. Stats. 66.1001(2)(d)
(d) Utilities and community facilities element. A compilation of objectives, policies, goals, maps and programs to guide the future development of utilities and community facilities in the local governmental unit such as sanitary sewer service, storm water management, water supply, solid waste disposal, on-site wastewater treatment technologies, recycling facilities, parks, telecommunications facilities, power-generating plants and transmission lines, cemeteries, health care facilities, child care facilities and other public facilities, such as police, fire and rescue facilities, libraries, schools and other governmental facilities. The element shall describe the location, use and capacity of existing public utilities and community facilities that serve the local governmental unit, shall include an approximate timetable that forecasts the need in the local governmental unit to expand or rehabilitate existing utilities and facilities or to create new utilities and facilities and shall assess future needs for government services in the local governmental unit that are related to such utilities and facilities.

Utilities and community facilities provide the foundation on which incorporated communities are built and maintained. Utilities may include sanitary sewer, water, and storm water systems, as well as electricity, natural gas, telecommunications, and solid waste disposal. Community facilities can vary greatly by community, but typically include parks, schools, libraries, cemeteries, and various health and safety providers. Special services such as day care centers may also be considered a community facility.

Utilities and community facilities can be used to guide development and encourage growth, as well as establish a community identity. Combined with roads, the construction, maintenance, and operation of utilities and community facilities are often the largest portion of a community's budget.

This element contains a compilation of background information, goals, objectives, actions or policies, and recommended programs to guide the future maintenance and development of utilities and community facilities in the City of Onalaska.

5.1 Existing Conditions

The City provides a wide range of utilities and community facilities, including police, fire, water, wastewater, stormwater and parks. In addition, there are a number of private provisions of utilities and community facilities, including healthcare and child care.

This plan element takes an inventory of existing community facilities and services, identifies current needs of residents, and studies the need for community facilities and utilities improvements or new facilities over the next 20 years.

Sanitary Sewer Service

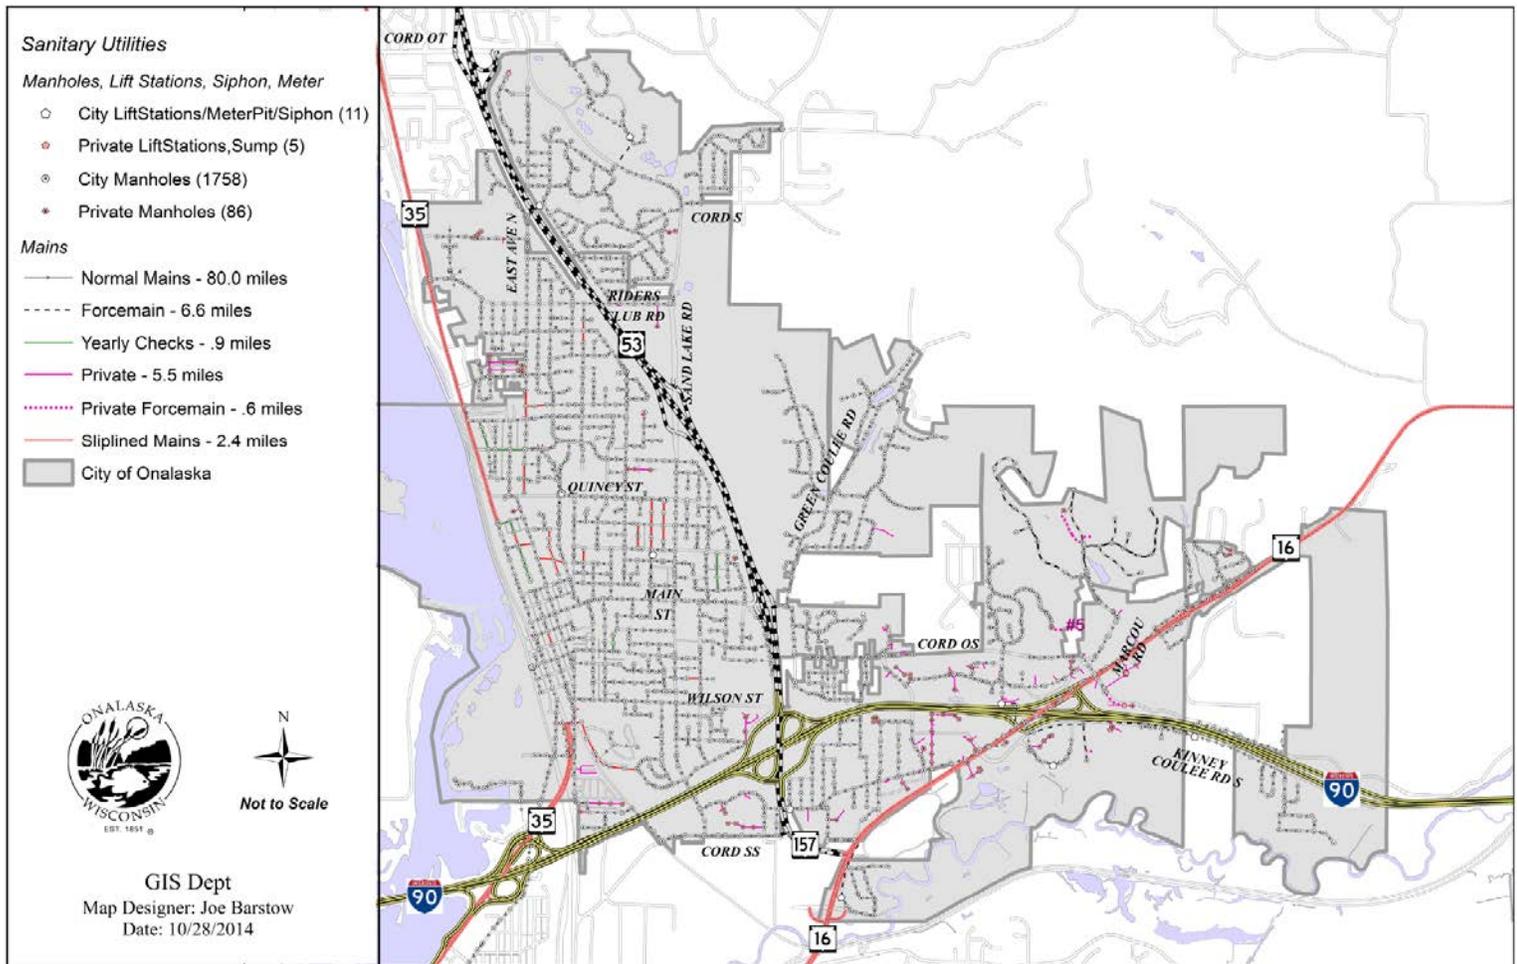

The City of Onalaska contracts with the City of La Crosse for sanitary sewer treatment. The current contract is set to expire in 2016 with negotiations on a new 20-year contract to begin. The City is responsible for maintaining and installing new lift stations, meter pit, sewer mains and manholes. There are currently nine lift stations and over eighty miles of sanitary sewer mains throughout the City.

"The provision of community facilities and services, such as public sewer and water, has a significant impact on development patterns" (Ohm, Brian. Planning for Natural Resources – An Overview. 2002).

As Onalaska has grown, so has the demand for sanitary sewer service. As future development continues throughout Onalaska, additional coordination between the Cities of Onalaska and La Crosse, and the Village of Holmen, will need to occur to ensure that adequate capacity is maintained for the projected future growth. The Village of Holmen will begin to use Onalaska's sanitary sewer system in the near future. It will be important to monitor growth to ensure adequate capacity and equitable cost-sharing is being utilized.

Figure 5-1
City of Onalaska Sanitary Sewer

Source: City of Onalaska

Areas that the community wishes to protect, should be avoided when considering future placement of utilities and services.

Stormwater Management

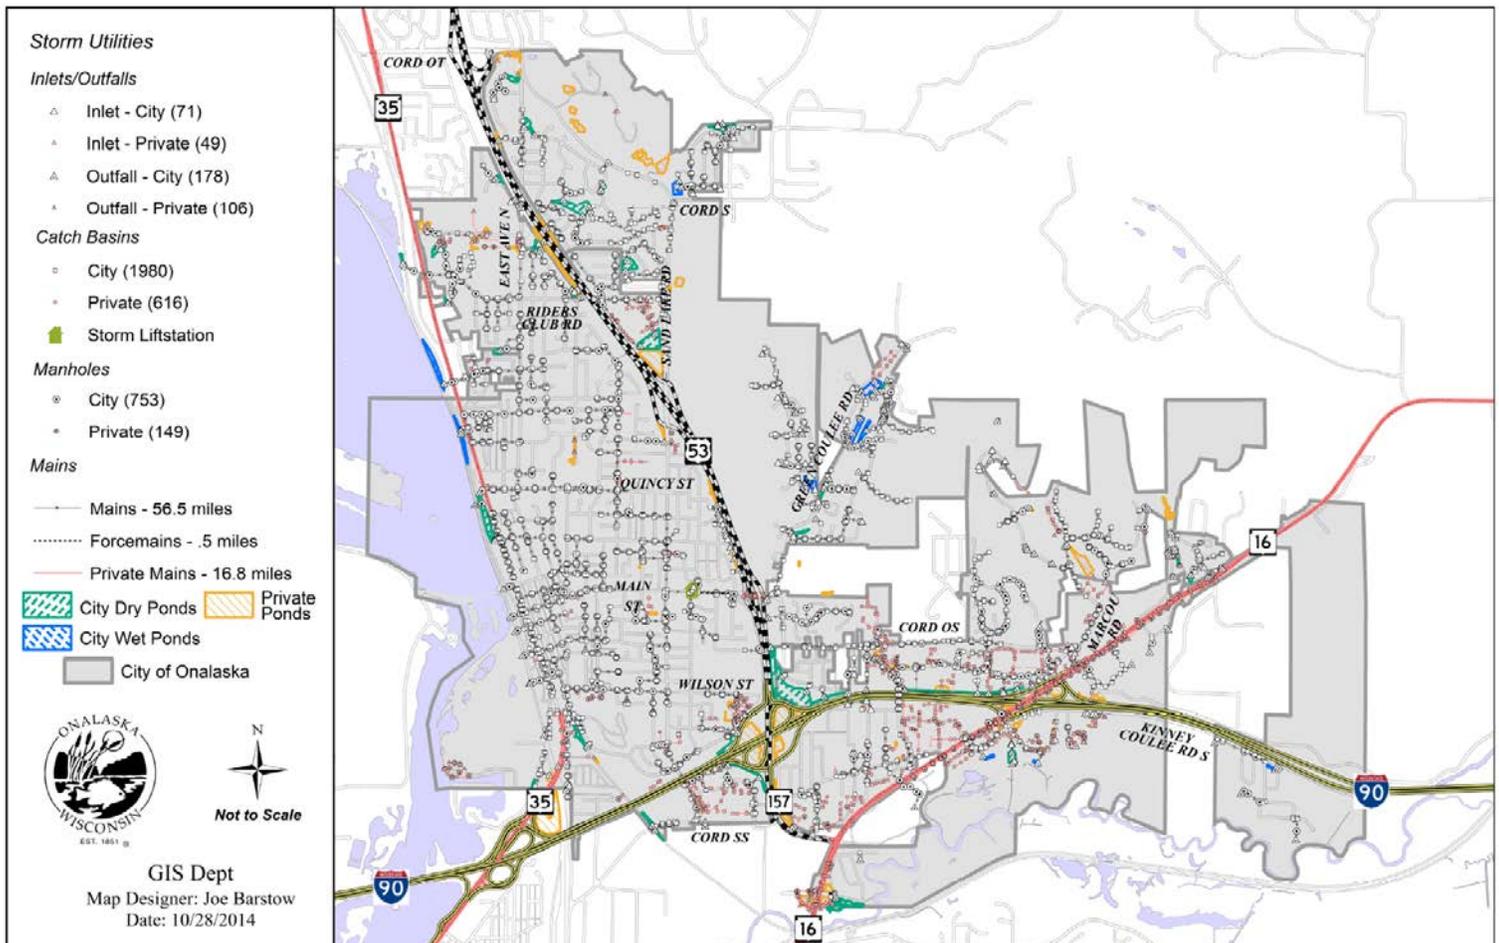

The City of Onalaska has an extensive system of storm sewers and natural drainage systems. Development that has occurred within the coulees has generally required engineered natural drainageways to collect and transport stormwater for flood control purposes. The City developed a stormwater

management plan in 2008 and created a Stormwater Utility in 2010 as a method of financing capital improvements for stormwater handling.

There is the potential for the amount (quantity) and rate (velocity) of runoff to increase as a result of additional development. This may adversely affect local water resources as sediment and nutrients are discharged to receiving water bodies. Managing storm water to reduce or eliminate direct discharge to surface waters is an important step to protect surface water quality in the future. The City has a National Pollutant Discharge Elimination System (NPDES) permit that regulates wastewater discharges. All facilities, including industrial, that discharge pollutants from any point source into waters are required to have a permit which indicate limits and monitoring measures required.

Figure 5-2
City of Onalaska Stormwater System

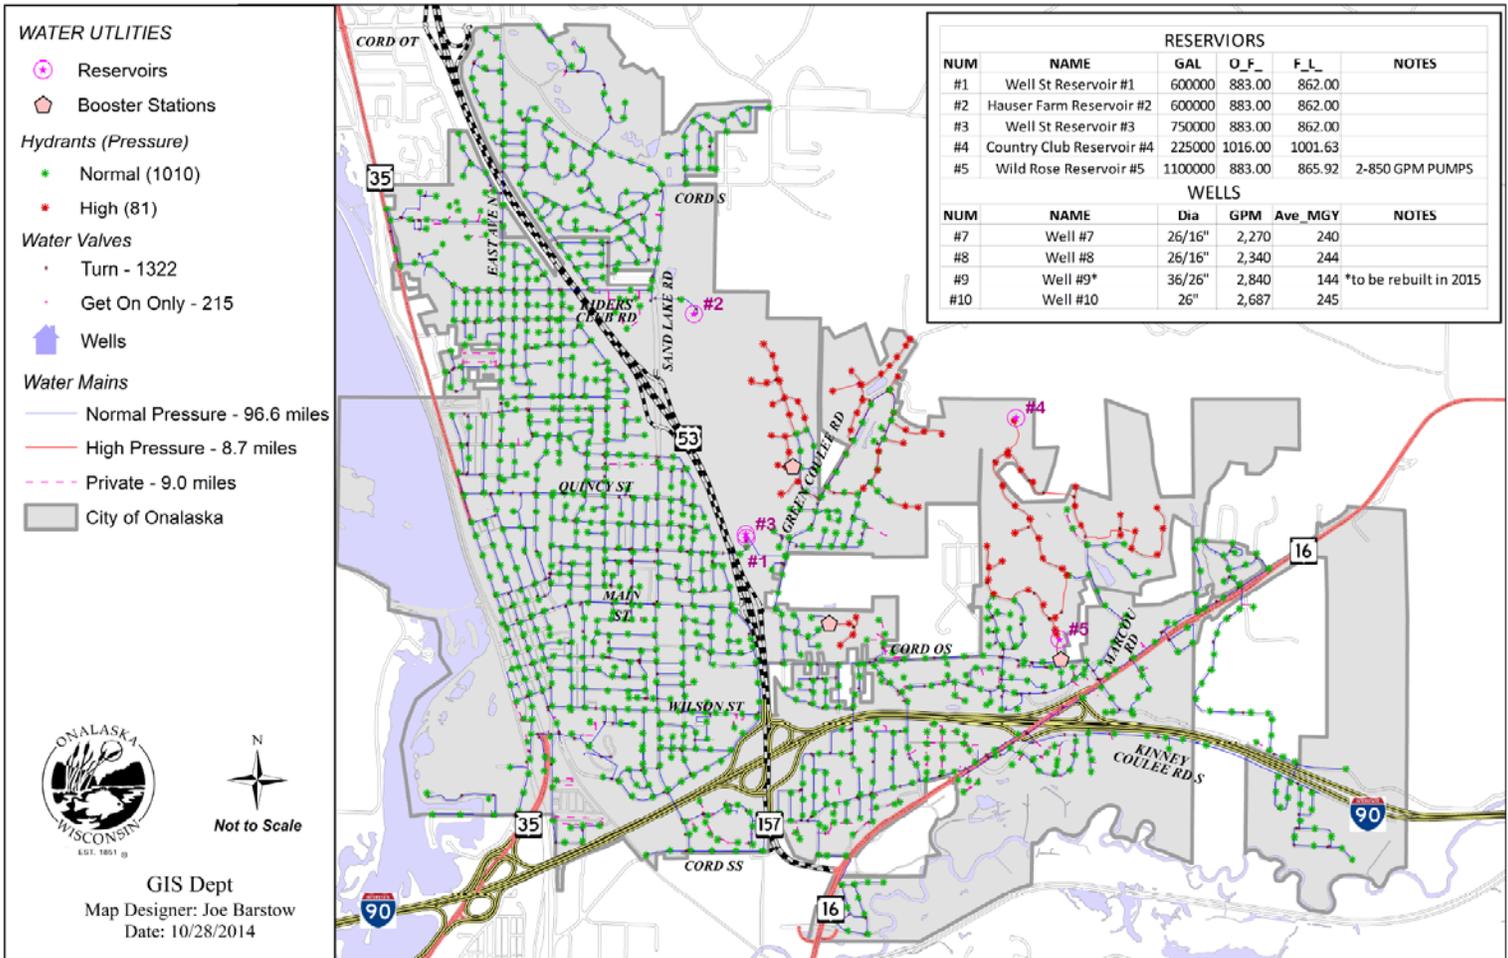

Source: City of Onalaska

Water Supply

The City of Onalaska provides municipal water to all of the developed areas within the City. There are four wells in use with a total rated capacity of nearly 14 million gallons per day. Actual average day pumping use in 2013 was approximately 2.4 million gallons per day. The distribution system consists of over 100 miles of public water mains.

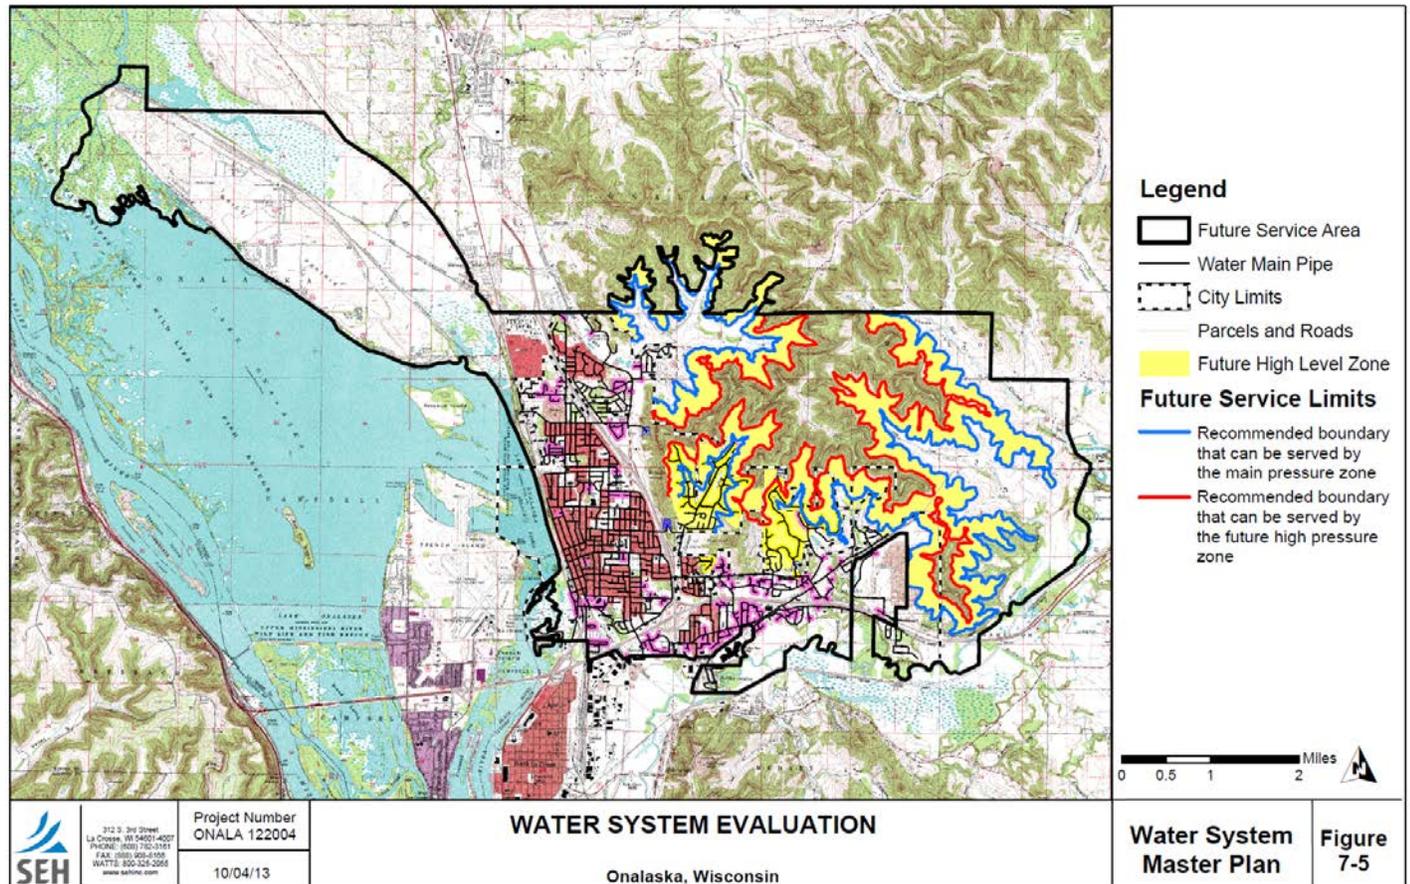

Figure 5-3
City of Onalaska Water System

A comprehensive Water System Evaluation was completed in 2013. It was projected that in the year 2030, with a projected population of 23,000 residents, that an average daily demand for water would be nearly 3.1 million gallons of water. The projected capacity of the existing system is nearly sufficient to meet this demand. Only slight increases in production are anticipated to be needed by 2030.

Due to elevation changes throughout Onalaska, the water system is divided into multiple zones, including a Main Level Pressure Zone pressure plain and High Level Pressure Zones. There are several areas that have been identified that can be served adequately with a minimum pressure of 35 psi under normal operation conditions, as shown in the following Figure 5-4.

Figure 5-4
City of Onalaska Future Water Service Area

Source: City of Onalaska and SEH

The City has five water storage facilities which store approximately 3.3 million gallons of water. This is sufficient and a recommendation was made in the recent water system evaluation to potentially divide an existing reservoir into two smaller reservoirs to avoid over-storage.

Increased development will eventually lead to the need to construct an additional well in the near future. Exploratory borings have yielded water with high concentrations in iron and manganese in several areas of the City, which will likely result in the construction of a new well in close proximity to an existing well with proven good water quality.

DRAFT

The City has a wellhead protection program that limits land uses within close proximity to City wells and aquifer recharge areas.

Water pressure is very good, with between 80 to 110 psi in low topographic areas near Lake Onalaska. However, there are areas with low pressure (30 to 50 psi) at the base of reservoirs and in areas in higher elevation developments, particularly near the ridges of coulees. Fire flows are generally very good for fire protection efforts.

Well No. 9 recently underwent a Pilot Study to evaluate methods to improve water quality from this well. Improvements to Well No. 9 are anticipated in 2015. Other items identified for future capital improvements include an upgrade to the Greens Coulee Booster Station, which is currently being evaluated.

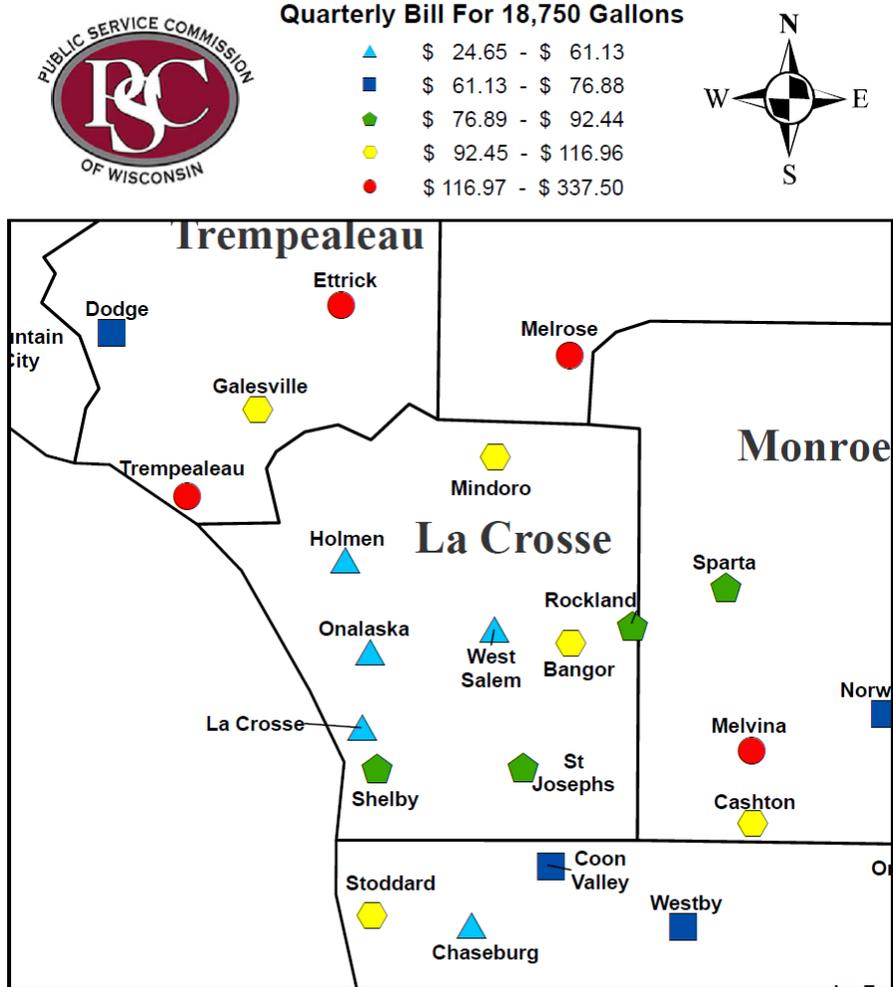

Water rates in Onalaska are relatively low for La Crosse County for a quarterly bill of 18,750 gallons, a standard of use selected by the Wisconsin Public Service Commission. Onalaska's rate, however, is similar to or lower than neighboring communities served by water (see Figure 5-5). The City is planning on a rate review in the spring of 2015.

Figure 5-5
La Crosse County Water Provider Rate Comparison

Each Color Represents 20 Percent of the Utilities

Source: Public Service Commission of Wisconsin

Solid Waste/Recycling

The La Crosse County Landfill is the regional landfill agency that accepts solid waste and ash from the waste to energy incinerator. New techniques and technologies are allowing the capacity of this facility to be extended. This is a very environmentally friendly method of disposal.

The French Island Incinerator, operated by Xcel Energy, collects refuse and Harter's Quick Clean-Up provides waste collection services. In 2014, the City began using automated pickup with carts issued to each household to

make pick-ups more efficient. They also offer single-stream recycling that is separated for product to be reused.

Parks and Recreational Areas

The City has a variety of park and recreational opportunities for area residents to enjoy. In addition to maintaining parkland and equipment, the Parks Department provides programming for youth and adults, aquatic programs, park facilities and reservations, and special events. There are 27 park sites with over 290 acres that range significantly in size and amenities available. The parks are generally evenly distributed according to land use patterns. The City has more than adequate parkland available compared to National Recreation and Park Association (NRPA) standards (10 acres/1,000 residents).

Park Name	Acres
<i>Mini Parks</i>

Sandalwood Park	11.9
<i>Community Parks</i>	
Greens Coulee Park	72.3
Rowe Park	28.8
Van Riper Park	40.1
Waterfront (Great River Landing)	50.8

Onalaska developed the area's first outdoor adult playground in 2014. This is located in Community Park on Quincy Street adjacent to the Community Center. The adult playground has different exercise stations that give people a different outdoor opportunity to be active in unique ways. This was made possible by a coordinated effort between the City of Onalaska and the La Crosse County Health Department. Partial funding was received from the Centers for Disease Control and Preventions' Transformation Wisconsin project.

The Onalaska Aquatic Center was completed in 2005 and has seen an average attendance of over 30,000 annually. The facility offers facilities for swimmers of all ages, including a zero-depth entry, several lap lanes, slides, and a concession stand.

There are several other recreational facilities within the City of Onalaska. The City owns and operates the Onalaska OMNICenter. This 50,000 square foot facility can accommodate large gatherings and meetings. There is a 28,000 square foot arena and an indoor skating and hockey rink that is operated year-round. A second ice rink is added during the winter months.

The Onalaska Community Center, located at 515 Quincy Street, hosts events for various gatherings, including senior citizen events.

There are three golf courses in Onalaska. Coulee Golf and Bowl is a nine hole public course that consists of 80-acres. This facility recently underwent significant renovations. The La Crosse Country Club is located in eastern Onalaska and is an 18-hole private course. The Golf Club at Cedar Creek is an 18-hole private golf club that is open to the public. This is located east of Sand Lake Road north of Riders Club Road.

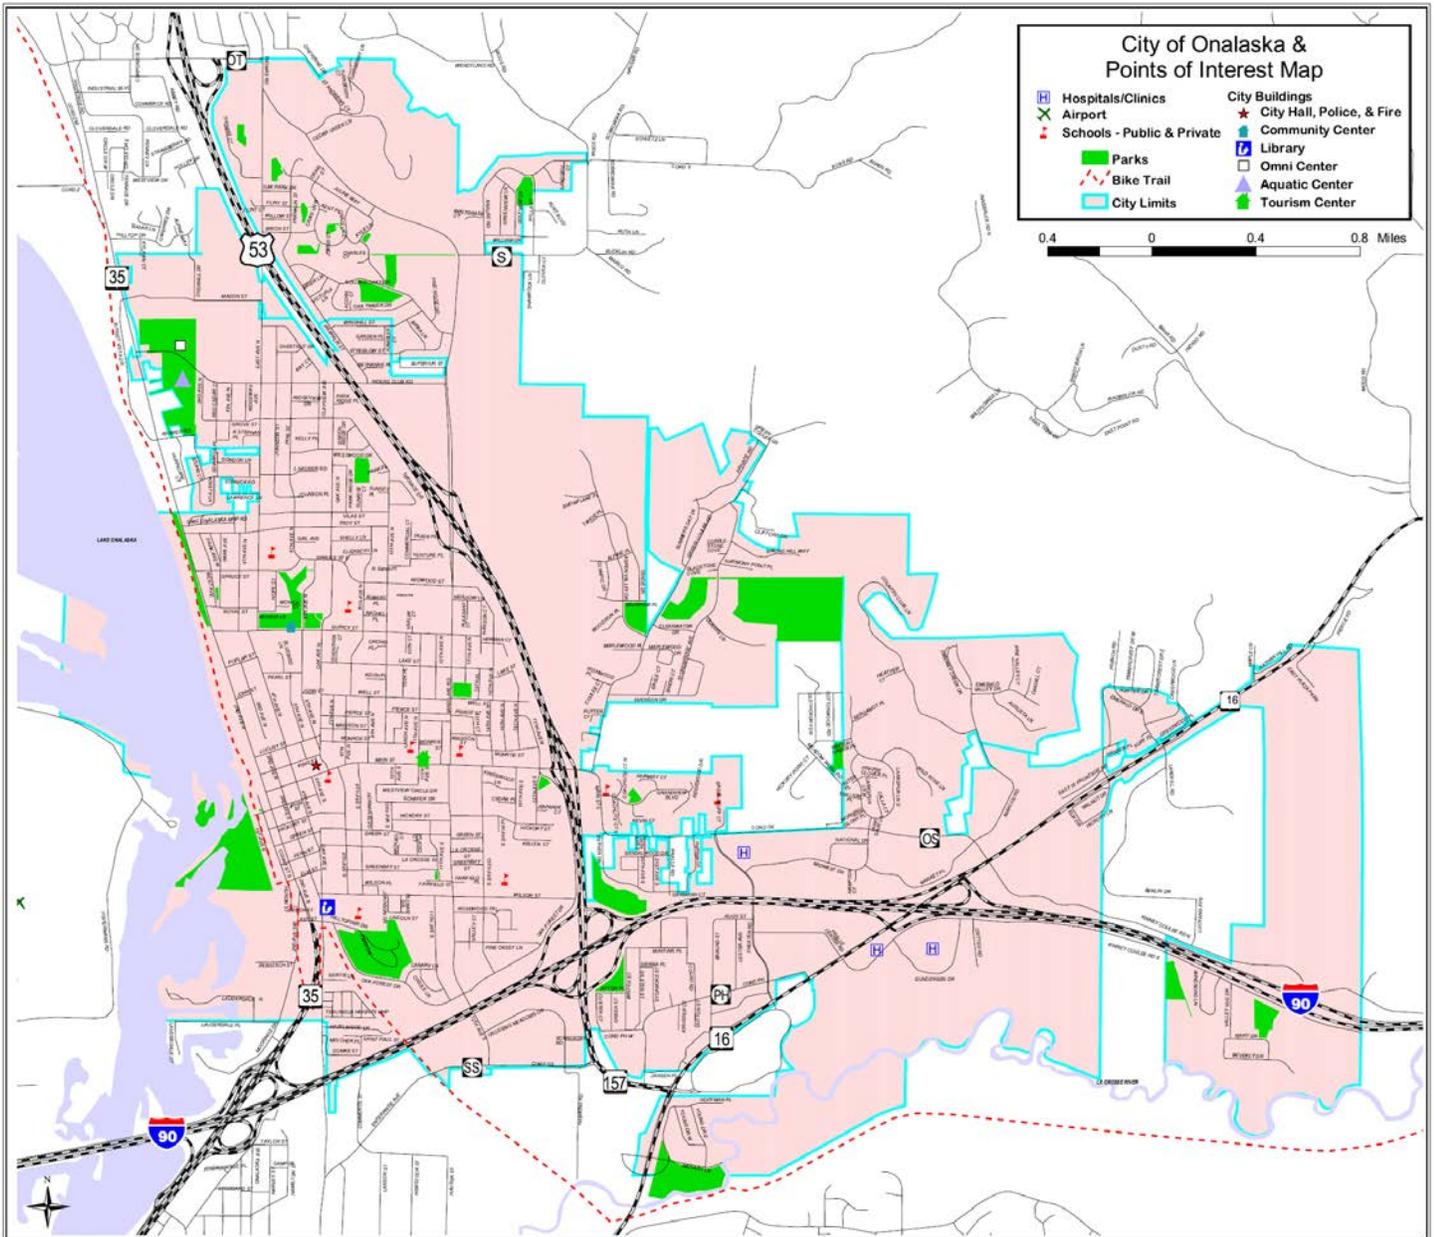

Onalaska also has a modern YMCA. This facility is part of the overall La Crosse Area Family YMCA, located at 400 Mason Street and abuts Van Riper Park. This facility is open seven-days per week. This facility has also made extensive efforts to have fully accessible facilities, including the "Miracle Field," a hard surface environment, including a baseball field that can accommodate wheelchairs, walkers and other mobility aids. This facility is scheduled for at least a \$4 million addition in 2015-2016 that will incorporate additional rehab facilities including a pool, as well as additional programming space for LiveStrong, Diabetes prevention, and other programs and activities.

The City developed a Comprehensive Outdoor Recreation Plan in 2010. This is a five-year plan and should be updated in 2015.

Figure 5-6
City of Onalaska Points of Interest Map

Source: City of Onalaska

Telecommunication Facilities

CenturyLink and Charter Communications provide Onalaska residents with local telephone service, cable television and high-speed internet access. Several long-distance providers offer service in the Onalaska area.

An extensive fiber optic network exists through the Onalaska area, much of which has been necessitated by the medical facilities in the area. This high-tech infrastructure is anticipated to remain competitive and be upgraded frequently to ensure the industries located within the region are able to obtain the technology they need to conduct consistent business.

Power Plants, Transmission Lines, and Electric Utilities

The nearest power plant is the Xcel Energy plant located on French Island, west of Onalaska.

The American Transmission Company has in conjunction with Xcel Energy has proposed to run a 345-kilovolt transmission line to alleviate electrical system reliability issues throughout the Midwest. There are two lines proposed for this line, which would be run from a substation in Holmen located on Briggs Road, to Dane County. The proposed southern route would run south along Highway 53 through the City of Onalaska to I-90 where it would then be routed towards Sparta. Many homes and businesses would be in close proximity to this proposed route. The northern route would run from the Briggs Road substation north and east, avoiding Onalaska. It is anticipated that the Public Service Commission (PSC) will make a decision by mid-2015 on which route the transmission line will follow. The northern route is the preferred route from Onalaska's perspective due to the disruptive nature, expense, and new corridor acquisition required to make the southern route feasible.

Xcel Energy and Riverland Energy provide electric services throughout the City.

Natural Gas

Xcel Energy provides natural gas throughout the City.

Cemeteries

The City of Onalaska owns and operates the Onalaska Cemetery, located on Main Street between Twelfth Avenue South and Thirteenth Avenue South. The cemetery has adequate space for the foreseeable future after recently purchasing additional property for future expansion.

Law Enforcement

The City of Onalaska Police Department is located in City Hall. The department has approximately 30 full-time personnel that provide 24 hour coverage for the City.

Fire Department

The Onalaska Fire Department is a combination fire department comprised of 11 career Firefighter EMT's, 25 paid-on-call Firefighter EMT's, one full-time Chief, one full-time Assistant Chief/Fire Marshal and one part-time Administrative Assistant. The department proudly delivers fire and EMS service at the EMT/non-transport level to the residents of Onalaska, from the fire station located at City Hall. The department responded to over 1,400 incidents in 2013.

The Onalaska Fire Department provides fire protection services at Insurance Services Office (ISO) public protection classification rating of class 3. The lower the number within this insurance rating scale (1-10), the lower insurance rates are for each property owner. The audit conducted in 2010 lowered (improved) the rating by two categories, and identified the need for an additional fire station and personnel.

Additional services provide by the Onalaska Fire Department include conducting in excess of 1,800 fire inspections annually, public safety education programs (2,032 children and 337 adults) in 2014, water and ice rescue, hazardous materials at technical level, rope, confined space rescue, and is highly involved in promoting the physical fitness of all firefighters.

Growth in the eastern portion of the City may necessitate a new fire substation to serve expanding commercial and residential development.

Post Office

The City of Onalaska Post Office is located at 304 11th Avenue North.

Public Works Department: Streets, Stormwater, Water & Sanitary Sewer

The Onalaska Public Works Department is responsible for storm water management, road, alley, sidewalk, lighting, street trees and street sign maintenance, solid waste, water, sanitary sewer and city cemetery. This department is located at 252 Mason Street.

City Hall

The City Hall is located at 415 Main Street and houses many of the administrative offices for City employees. This 59,000 square foot facility was completed in 2000.

The City operates on a full-time mayoral form of government. The Mayor is elected every four years. Six alderpersons from three aldermanic districts are elected for two year terms on a staggered basis – one alderman position from each district is elected each year.

Coulee Region Joint Municipal Court

The Coulee Region Joint Municipal Court processes ordinance and traffic citations issued by the Police Departments of Onalaska as well as the Villages of Bangor, Holmen, West Salem, and the Towns of Campbell, Rockland and Shelby. This is operated out of the Onalaska City Hall.

Medical/Health Care Facilities

Two large regional medical centers have facilities in Onalaska – Gundersen Health System and Mayo Clinic Health System – Franciscan Healthcare. Each also has a large hospital and clinic in La Crosse. Mayo Clinic Health System recently acquired a 187 parcel of land on the east side of Sand Lake Road. While plans have not been made public, hints at expanding their health care practice in Onalaska have been rumored.

Several chiropractors, massage therapists, dental clinics and ophthalmologists have practices in the City as well.

Gundersen Health System is ranked among Healthgrade America's 50 Best Hospitals – placing it in the top 1 percent in the nation. They also received the 2014 Healthgrades Distinguished Hospital Award for Clinical Excellence – 1 of only 260 hospitals to receive this award.

Mayo Clinic Health System extensively collaborates with Mayo Clinic which has been recognized as the best hospital in the US for 2014-2015 by U.S. News and World Report.

Library

The City of Onalaska is served by the Onalaska Public Library. This branch is part of the La Crosse County Library system, which also has facilities in Bangor, Campbell, Holmen and West Salem.

Constructed in 1989 and expanded in 2009, the Onalaska Public Library has approximately 20,000 square feet. It is open six days per week (closed on Sundays). The library offers internet access, books, magazines, newspapers, videos, CD's, DVD's and books on tape. The Onalaska Historical Museum is also located in this facility.

Schools

The City of Onalaska is served by a wide assortment of educational facilities at the elementary, primary, secondary, vocational and postsecondary levels. In addition, some facilities offer preschool, kindergarten, special education, religious, business, industrial, trade and vocational training. The Onalaska School District has a student population of 3,046. This makes the district the 73rd largest in the State in terms of size. The Holmen School District has a student enrollment of 3,898, making the district 49th largest in the State. School district performance measurements are presented in the Issues and Opportunities Element. Please refer to the Issues and Opportunities Element for this information.

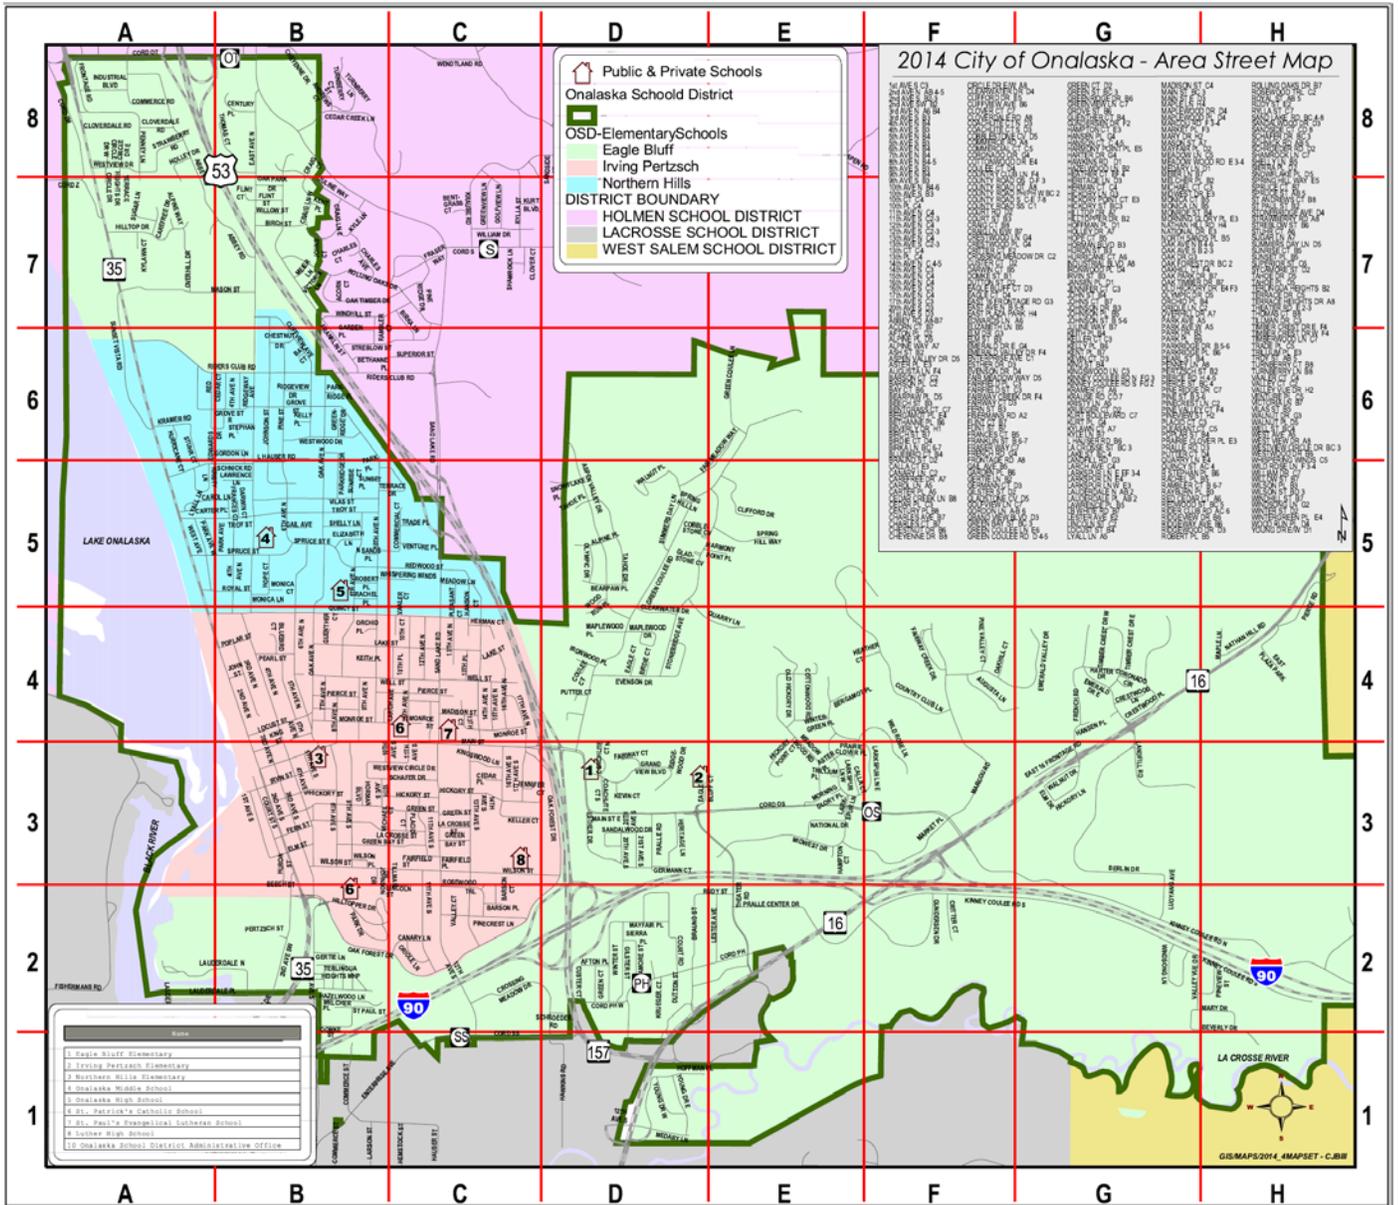

Table 5-1
Onalaska and Holmen School District Size - 2014

State Rank (out of 449)	District	County	Enrollment
73	Onalaska	La Crosse	3,046
49	Holmen	La Crosse	3,898

Figure 5-8
School District Boundary Map - 2014

Source: City of Onalaska

Several adult education centers offer higher education and continuing education classes and programs are located in close proximity to Onalaska. A branch of Globe University is also located in Onalaska. Other nearby colleges in La Crosse include the Western Wisconsin Technical College, as well as the University of Wisconsin-La Crosse and Viterbo University.

Private Schools

“Smaller communities must scramble to generate the necessary tax revenue from businesses and residents when the population rises, because an increase in households results in congested roadways, crowded public schools, and strained water and sewer infrastructures. Improving all these services - building new roads and schools, laying new pipes, higher more fire and police personnel – requires significant investment. For this reason, cities, Cities, towns, and counties must anticipate future population growth and plan accordingly so that the systems don't all require costly upgrades simultaneously.”

- McKnight Foundation, re: focus: Making Choices for Future Generations.

As of 2014, the City has three private schools (St. Patrick’s, St. Paul’s Evangelical Lutheran, and Luther High School) serving students that would otherwise attend the Onalaska Public School District with a combined student population of 674. Local communities do not get involved with the planning and administration of these schools, other than typically playing a regulatory role.

Senior Care Facilities

The City of Onalaska is served by numerous senior care facilities. Community-based residential facilities typically offer room and board and basic nursing care. Adult family home facilities provide similar services to community-based residential facilities, but can only serve up to four adults at one time. A nursing home is a place where five or more unrelated peoples receive care or treatment, and require 24-hour nursing services due to a mental or physical condition. Residential Care Apartment Complexes are independent apartment units where individuals needing up to 28 hours per week of supportive care, personal care or nursing services can reside.

The City has approximately 2,600 residents aged 65 and over, with senior living capacity of approximately 489.

Child Care Facilities

There are 35 licensed childcare providers in Onalaska. Group facilities have capacities of over nine children, while family facilities can have up to eight children at a time.

There is a current child-care capacity of roughly 2,200, while the City has approximately 2,600 children under the age of 9.

Places of Worship

There are several Churches of various denominations within the City of Onalaska. The following is a listing of churches and their addresses.

**Table 5-4
Onalaska Places of Worship**

Place of Worship	Address
Cathedral of Praise	3340 S. Kinney Coulee Road

5.2 Assessment of Future Needs

Much of the infrastructure and services provided to City residents has adequate capacity. However, with the projected population growth, the water and sanitary systems use will need to expand. Expansion of the water system has been studied in depth and minimal expansion efforts are needed for water production. As more water is being produced, it will be critical to monitor water quality. It will be important to continue to monitor developments and their impact to the pressure zones.

The City will need to work closely with the La Crosse and Holmen wastewater system operators to ensure adequate capacity for increased development is maintained. The current contract runs through 2016 and will

have to be renewed or renegotiated soon. With the projected growth and related increases in stormwater runoff, additional stormwater utility features will be needed such as permeable paving, vegetative green roofs and stormwater recycling and reuse.

In general, the public facilities around the City are in good condition. City Hall houses the administrative offices for the City and is a modern building. The Public Works Department also has a newer maintenance and storage facility that is heavily used.

The City has been proactive in expanding its municipal boundaries. As the boundaries continue to expand, careful review must be taken to ensure that new development areas can adequately be served by utilities, emergency services and transportation networks. In particular, the Fire Department may need to develop an additional facility closer to the newer developments to ensure the City's ISO rating remains low. Additional population will also likely necessitate an increase to the Police Department, as a greater population will be demanding immediate responses for emergencies.

The City is facing an important challenge currently with a proposed high-voltage line being routed through the City. This will be an ongoing issue for another year until a final decision is made. If the decision to route the power line through the City is made, there will have to be significant ongoing communications with utility providers to ensure this is constructed in the least disruptive way possible. The City will continue to generally support the development of the northern line that avoids the City of Onalaska.

Working cooperatively with other public and private providers is encouraged to ensure residents' needs and demands are being met in an effective and efficient manner.

5.3 Utilities and Community Facilities Goals, Objectives and Policies

Goal 1: Coordinate the location of public utilities and facilities with projected growth and development patterns.

Objectives

- a. By coordinating community facilities and services planning with land use and transportation planning to efficiently utilize available land.
- b. By ensuring that park and recreation facilities are planned on a neighborhood, community and City-wide basis as related parts of a unified, well-balanced system to provide maximum opportunities for all residents.

Goal 2: Provide efficient and/or cost-effective utilities and community facilities.

Objectives

- a. By directing new development to areas that can be efficiently and economically served by existing or planned City streets, sanitary sewers, public water mains, stormwater management facilities, life and safety services.
- b. By continuing to require new development to pay the cost of municipal services, so that the existing taxpayers are not burdened with inequitable taxes or service costs.
- c. By continuing to work with La Crosse County, the City of La Crosse, the Village of Holmen, the Town of Onalaska and other municipalities to identify joint services and facilities where consolidating, coordinating or sharing services or facilities will result in better services and/or cost savings for Onalaska residents.

- d. By working with utility providers to promote energy conservation practices.
- e. By continuing to support the strong interrelationship with the school district in cooperative use of facilities.
- f. By promoting the highest and most efficient levels of police, fire and first responder services for the City.

Goal 3: Avoid environmentally sensitive areas when extending and constructing utilities and community facilities.

Objectives

- a. Comply with City’s Sanitary Sewer Service Agreement requirements.

Goal 4: Continue to provide services and facilities necessary to improve the quality of life of Onalaska's residents, property owners, businesses and visitors.

Objectives

- a. By maintaining and improving sewer and water system infrastructure through continued identification of deficiencies and planned infrastructure enhancement, maintenance and rehabilitation.
- b. By creating and maintaining attractive parks and open spaces that can be used as public gathering spaces throughout the community.
- c. Implement the Great River Landing planning recommendations.
- d. By involving the public in facility and utility expansion decisions, when possible, by asking for public comments and placing citizens on appropriate boards.

Goal 5: Continue to establish, administer and maintain a community-wide park and recreation system that provides high quality facilities to fulfill the expanding needs and expressed desires of the community.

Objectives

- a. By promoting the multiple use of facilities in design and development, such as developing school/park combinations and community centers/recreation spaces.
- b. By using pedestrian and bicycle facilities to connect parks and open spaces.
- c. By ensuring that land accepted in dedication either be set aside for preservation or accepted only after size, access, buffering and site design are demonstrated as suitable for development.
- d. By establishing acquisition priorities for needed outdoor recreation facilities based on accepted standards, identified existing and future needs, current park distribution throughout the community and land development patterns.
- e. By coordinating with school districts, public agencies, private groups and civic organizations to jointly offer community-wide recreational opportunities.
- f. By continuing to devote resources to first maintain and improve existing park and recreation areas and then to develop any new parks and recreation areas.

POLICIES AND RECOMMENDATIONS

Parks and Recreation

- 1) Continue to collect parkland fees or require parkland dedication or trail rights-of-way for all new developments. Work with park and recreation department to ensure adequate staffing is available for maintenance.
- 2) Staff should regularly evaluate park and recreation sources (programs, facilities and operations) to ensure that community needs are being met.
- 3) Parks should be designed with multiple access points from the surrounding neighborhoods and should be accessible by various modes of transportation.

- 4) To the extent possible, park facilities should be designed to meet the needs of all City residents, including the elderly, disabled, economically disadvantaged and pre-school age children. Because of the City's unique topography, this may not always be possible. Park facilities can be funded through impact fees, open space grants, subdivision dedications, user fees and general funds.
- 5) Continue to update and consult the City of Onalaska's Park and Recreation Plan when making park development and maintenance decisions.

Public Facilities

- 6) Maintain or improve the City's ISO rating (currently 3).
- 7) The City staff or board and the Onalaska and Holmen School Districts' staff or boards should meet jointly at least annually to plan education improvements. The City and school districts should work together to encourage siting, renovation and expansion of school facilities in areas that are best equipped to accommodate growth, as identified on the Future Land Use Map. School boundaries should be defined so as not to overcrowd any schools, if possible, and transportation should be coordinated so that schools are easily accessible by the neighborhoods they serve.
- 8) When reviewing subdivision applications, allow the Onalaska and Holmen School Districts to comment on the impacts of the new development on the Districts' capacity to provide education services, facilities and bus routes to those developments.
- 9) Evaluate the need for a future library expansion. When appropriate, conduct a space needs study to determine if expansion or relocation is appropriate.

Utilities

- 10) The City should approve proposals for annexation into the City of Onalaska only when meeting the following utilities and community facilities criteria, or if other important community goals are met:
 - The area proposed for annexation has access to or

can be easily connected to areas already served by the City, thereby allowing efficient delivery of services, facilities and utilities.

- The annexation is in an area designated for growth on the City's Future Land Use Map.
 - All public improvements, both off-site and on-site, necessary to serve the annexation area can be constructed and financed in accordance with City standards and policies, and with goals and objectives within this plan.
 - The annexation area can be developed in a timely manner so the City does not invest in development costs without the timely return of necessary fees and taxes.
 - The increased tax base and overall benefit to the City of approving the annexation outweigh the actual financial impact on the community for providing police, fire, road maintenance and other public improvements and services to the annexation area.
- 11) Ensure utilities are well maintained and functional.
- 12) Extend and upgrade public utilities (public water, sanitary and storm sewer) to logical infill areas as an incentive to encourage growth at appropriate locations in compliance with this plan.
- 13) Onalaska shall not extend its sanitary sewer and municipal water lines to development that is not located within the City boundaries unless appropriate compensation is provided.
- 14) Refer to Onalaska's Comprehensive Plan on an annual basis when updating the Capital Improvement Plan.

Efficiency/Cost Effectiveness

- 15) Continue to seek federal, state, private and local funding for parks and greenways and utility and facility improvements, including Tax Increment Financing (TIF), Community Development Block Grants (CDBG), Special Assessments and Impact Fees. Review City policies and update if needed on a bi-annual basis.

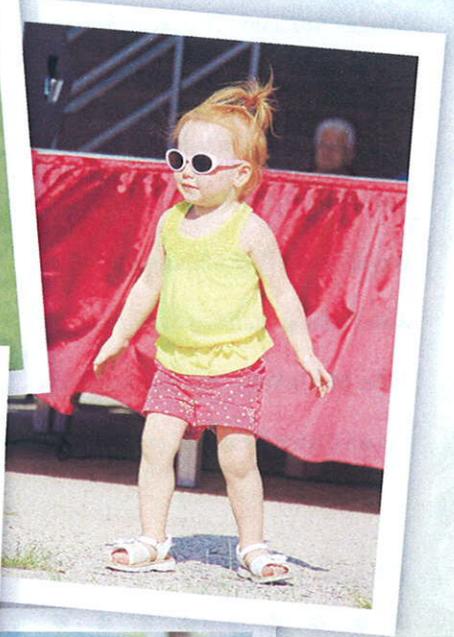

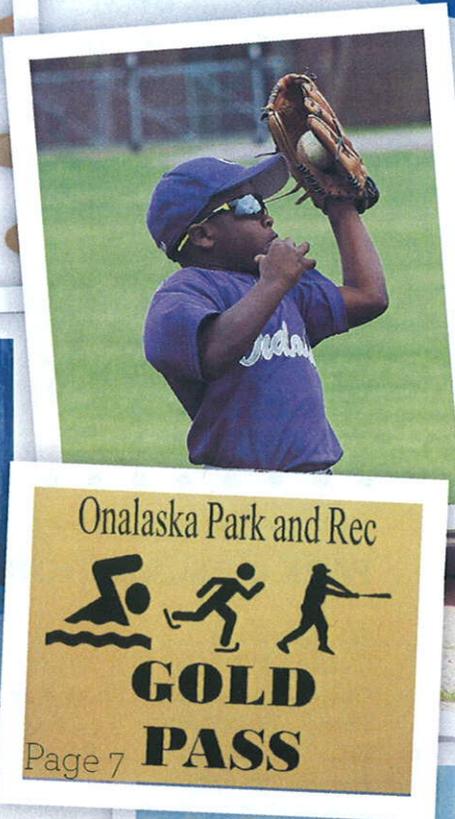

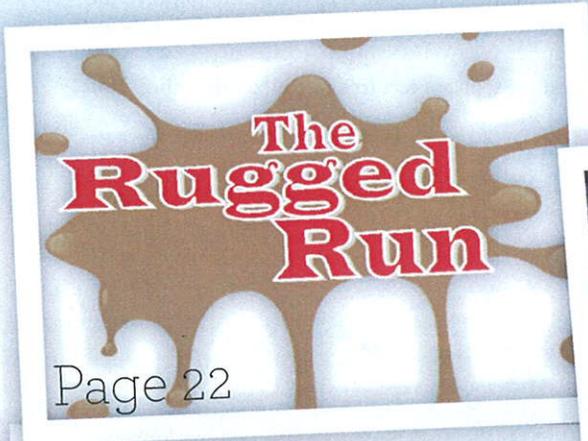

- 16) Continue to require developers to pay all development costs and to install streets and utilities in new developments. The Plan Commission may waive this provision if the developer meets other significant City goals.
- 17) Adequately maintain existing facilities. The City should budget sufficient funds in its Capital Improvements Plan to perform major and preventive maintenance of existing facilities. In general, the City should not acquire or construct major new capital facilities unless the appropriation for the maintenance of existing facilities is secured and the City can reasonably expect to maintain both facilities.
- 18) Require fiscal impact analyses of all major capital projects considered for funding. Such analyses should include, but not be limited to one-time capital costs, life-cycle operating and maintenance costs, revenues from the project and costs of not doing the project.

*Summer
Activity Guide*

CITY OF ONALASKA PARK & REC DEPT.

...Welcome...

It's that time of year again; time to snap out of those winter blues and discover everything the City of Onalaska has to offer!

We invite you to look over our summer brochure and find an activity to fit your lifestyle. Take note of our new programs at the Omni Center, our WPRA discount ticket program, and our numerous family fun programs.

As always, the Onalaska Park & Recreation Department strives to improve the quality of our programs and ensure we are providing opportunities for all ages and abilities.

If you have any questions or concerns, please feel free to contact the office. Your input is always welcome.

...General Information...

NON-RESIDENT POLICY:

For registration purposes, a resident is anyone who lives within the corporate boundaries of the City of Onalaska. Due to the fact that the boundaries of the City and School District are different, any person residing outside the City boundaries will be considered a non-resident and pay accordingly.

NON-DISCRIMINATION POLICY:

The Park & Rec Department does not discriminate on the basis of race, color, national origin, sex, religion, age, or physical statutes in employment or provision of service.

YOU SNOOZE...YOU LOSE:

Nothing kills a program quicker than waiting until the last minute to sign up. If there are not enough participants by the given deadline, it will be cancelled. In the event a program is cancelled by the Park & Rec Department, each participant will receive a full refund.

INSURANCE:

Park & Rec does not provide accident or hospital insurance for individuals participating in sponsored activities. Participants are recommended to obtain or review their personal insurance policies (medical, accident and liability).

REFUND POLICY:

Refunds will be granted if requests are made seven (7) days prior to the scheduled start of the activity. After an activity has started, refunds will be granted only for medical or unavoidable circumstances. There will be a \$5.00 service charge for processing all refunds.

RETURNED CHECKS POLICY:

A \$30.00 service charge will be assessed on all checks returned due to insufficient funds. Once a NSF check occurs, all future registrations must be cash only.

CANCELLATION INFORMATION:

Announcements will be placed on the city website, our Facebook page, and our hotline 791-0833 approximately one (1) hour prior to the start of a program. In the event severe weather develops immediately prior to the program, the supervisor will make the determination to cancel. The department recognizes that severe weather situations vary, therefore parents are encouraged to use their own discretion with sending children to programs. If the schools close early and the program is held at school, the program will be cancelled as well.

RECREATION SCHOLARSHIP PROGRAM:

The Park & Rec Department has a scholarship program set in place for City residents only. Stop by the office for the paperwork, which needs to be turned in to the Park & Rec Director prior to registering for an activity. Please allow a few days for processing.

AGE REQUIREMENTS:

For all programs, an age requirement is specified. Please do not request to have your child put in a class in which he/she does not belong. All age requirements are set to benefit the children, make instruction more consistent for the leader, and for safety reasons.

PROGRAM EVALUATION:

Program evaluation forms are available online at www.cityofonalaska.com for any youth or adult activities. We welcome and appreciate any feedback you are willing to provide.

SAY CHEESE:

For promotional purposes, photos may be taken of participants. If you do not wish to have your photo taken, please tell the photographer.

TYPO, WE GOOFED:

Occasionally there may be an error with information in the Activity Guide. If so, the staff will do everything possible to correct the situation promptly. Thank you for your patience should these situations arise.

LOST & FOUND ITEMS:

Items left behind from an activity at a school will be found in the school's lost and found. Items left at a Park & Rec facility, for example ball field, will be brought back to our office and kept through the season.

EMPLOYMENT OPPORTUNITIES:

Earn extra money, learn new skills, and get involved in your community. Persons interested in working for the Park & Rec Department should complete an application. You can pick one up from the office or website at www.cityofonalaska.com, under Human Resources. Year round available positions include: Coaches, Program Leaders, Refs, Officials, Day Camp/Arts & Crafts Leaders, Lifeguards, Concession Workers, and Sledding Hill Staff.

VOLUNTEERS NEEDED:

If you're interested in volunteering for the Park & Rec Department, you must first complete a background check. Forms can be picked up from the office. If accepted, you will be contacted with information regarding the coach's meeting, where you will receive training and coaching materials.

...Registration...

ONLINE REGISTRATION

Go to www.cityofonalaska.com, put cursor over "Park & Recreation," and move cursor to "Program Registration."

This will take you to our online registration site.

First you have to create/request an account. You will receive a verification email following the creation of your account when you're approved to register.

Next, click on "View Activities" to find the program you want, enter in the appropriate family member's name, and pay right there with your credit card. There is a small convenience fee to use this service, and it is non-refundable.

Make sure to review all information, agree to required waivers, and confirm that you meet the age requirements before you finalize payment.

Make sure to remember your User Name and Password!

Payment type: Credit Card only

Online Registration Opens:

Monday, March 16th at 12 am.

WALK IN REGISTRATION

You may register for any program at the Onalaska City Hall, 415 Main Street, Park & Recreation office.

For in-person service, stop by during our office hours: Monday - Friday, 8 - 5 pm.

If you have questions about our online registration, please ask, and we can show you how to set up an account here.

Payment type: Cash, Check, or Credit Card

Walk In Registration Opens:

Monday, March 30th at 8 am.

JOHN FLEIS YOUTH SCHOLARSHIP FUND

John Fleis graduated from La Crosse Central and then from UW-La Crosse. In 1945 he became a teacher and high school coach in the Madison area. In 1959 he quit teaching and moved back to Onalaska and started his own insurance agency.

His love for sports and coaching led him to start the Onalaska Park & Recreation Program in the early 1960s. With the help of many volunteers, tennis, basketball, baseball, and golf were some of the initial programs offered.

After a few years of running the program with volunteers, the City of Onalaska took over and hired their first director.

Upon John's death in 2009, the family established the John Fleis Youth Scholarship Fund for the Onalaska Park & Recreation Department to provide financial assistance for families of the community to participate in Park & Rec Programs.

Participate. Educate. Recreate.

**Registration
Starts:**

...The Onalaska Gold Pass...

The Gold Pass is a great way to stay active this summer. For just a dollar a day, the Gold Pass buys you unlimited entry into the Omni Center for all scheduled open gym time and all scheduled public open skate. You also get access to the Aquatic Center for all open swim sessions, and free access to certain Park and Rec Gold Pass programs! Feel free to come for an hour a day or all afternoon. There is always plenty to do as you can move freely between the pool, the ice rink, and gym. Concerned about having to bring your ice skates with you? Don't be! With the gold pass you can rent skates, for FREE! Every day we will be hosting a special activity in the Omni Center. Come join us to play kickball, volleyball, basketball, soccer, and more!

...Equipment Rental & Hidden Jems...

Stop in and enjoy the amenities the Onalaska Park & Rec Department has to offer!

If you would like to rent any of this recreational equipment, stop by the Park & Rec Department office located in City Hall. Equipment is available on an hourly or daily basis. Explore the waters and enjoy the parks just a little bit more!

KAYAK RENTALS*

Kayaks are available to rent from the Park & Rec Department. Just come to the office to put payment down and sign the waiver. Included in the fee is 1 kayak, life jacket, and paddles. We have 4 sets of kayaks available at a time.

Fees: \$10/kayak for 4 hours *OR* \$25/kayak for the whole day.

**Do not rent if you are not physically able to get back on or get to shore if you fall off.*

DISCS FOR OUR DISC GOLF COURSE

Enjoy our 9-hole disc golf course in Rowe Park, right behind Onalaska High School. Stop by the office to rent a bag of 3 discs for use at our course!

Fees: \$5/set to use & \$20 deposit that you will get back when returned.

FISHING POLES

You can borrow just one or enough for the whole group. If you want to reserve 10 or more, you must call ahead. There is no fee to use the poles, but there's a **\$10 security deposit on each pole**. To reserve, call 781-9560. Pick up at the Park & Rec office.

PICNIC PACKS

The Onalaska Park & Rec Department has put together picnic packs for groups that rent our shelters. There will be a variety of activities/sports balls in the pack! Make sure to specify if you want one at the time of registration so we can have it ready for you when you pick up the key!

Rental Fees: \$10.

GREENS COULEE PARK

This park was acquired in 2000 with the assistance of DNR Stewardship funds. This park is in the early stages of developments with the focus of the park to be on passive recreation. The park consist of multi-purpose trails that run from the wetlands area at the lower end of the park through areas of oak savanna to the rock quarry at the summit of the bluff that overlooks portions of the City of Onalaska. The Greens Coulee Community Park is the central linkage of the Central Greenway System, connecting the eastern parts of the city to the west. Seven (7) acres of the Town of Medary parkland borders this park to the south. This park was also conceived as part of the Clearwater addition, as a conservation type subdivision that preserves both open space and value in the housing market. The park contains a variety of local landscape types including wetlands, a creek, upland hardwoods and prairie remnants

DOG EXERCISE AREA

Bring your favorite friend and come try the Onalaska Dog Exercise Area located near Van Riper Park! With plenty of room to run and lots of new friends to meet, you and your dog can both enjoy a sunny afternoon!

Daily Permits—\$2.00

Pay at Dog Park entrance

Annual Permit (One Dog) - \$12.00

Good for calendar year

Annual Permit (Additional Dogs) - \$5.00/dog

For any dog after your first, good for calendar year

Located at 225 Kramer Road

DISC GOLF COURSE

The Onalaska Park & Recreation Department has a disc golf course in Rowe Park, right behind Onalaska High School. This 9-hole course is perfect for people of all ages and abilities. If you're interested in trying it, but have never played, contact the Park & Rec and borrow some discs.

...Youth Camps/Clinics...

YOUTH UMPIRE MEETING: BASEBALL & SOFTBALL

This meeting is for boys and girls that are going to umpire for the Onalaska Park & Rec Department this summer. This meeting is mandatory as topics covered will be: payroll, timesheets, procedure for getting games, scheduling, behavior, expectations, tournament dates, and use of equipment. **There will also be an umpire clinic offered May 20th. The clinic will have two parts: lecture/instruction and on-field positioning.*

Dates: Wednesday, May 27 **Time:** 6:30 pm **Location:** Omni Center Meeting Room

ONALASKA WRESTLING TRAINING CAMP

The Onalaska Park & Rec Department and High School Wrestling Program have teamed up to offer this summer wrestling camp. The camp instructor is Onalaska HS Wrestling Coach, Lyle Blum. **Location:** OHS South Gym or Balcony

7th - 12th Grade Camp

This is for all Onalaska High School and Middle School students entering grades 7-12. The purpose of this camp is to provide Onalaska wrestlers the opportunity to improve their wrestling skills. Now is the time to start making yourself a better wrestler!

Dates: June 18-20 (camp) June 19 (cookout and final challenge, 5-7 pm)

Time: 2:30 - 4:30 pm **Fee:** \$35 (includes t-shirt & cookout) **Min/Max:** ??/??

Deadline: Friday, June 6

Kindergarten - 6th Grade Camp

The purpose of this camp is to offer Onalaska youth the opportunity to experience the world's oldest sport - wrestling! The camp will focus on developing fundamental wrestling skills and sportsmanship in a safe and supportive environment.

Dates: June 19-20 **Time:** 1-2:15 pm **Fee:** \$20 (includes t-shirt) **Min/Max:** ??/??

Deadline: Friday, June 6

THE CHUTE SHOOTING CAMP

The Chute Basketball Shooting Camps are designed to challenge the advanced player to move their offensive game to the next level, while at the same time, teaching all the proper fundamentals of shooting to the younger athlete.

Shooting is "muscle memory".... Often times players believe they are out practicing, when actually they are simply reinforcing a lot of bad habits. The Chute Camps follows a step by step approach, in which shooters will definitely improve. This camp: 1. Teaches Proper Technique 2. Reinforces Proper Technique at Game Speed 3. Brings about Mastery of Positive Shooting Form If you want to improve your shooting and offensive skills, The Chute Camp is for you!

Over 2000 Players in 7 States Attend Chute Shooting Camps Each Summer... We are happy to have them here at the Omni....we hope you take advantage of this excellent opportunity.

Date: June 8th & 9th

Sessions: Grades 9-12 @ 8:30-11:30am
Grades 4-8 @ 12:30-3:30am

Location: Onalaska Omni Center

Fee: \$70.00 **Deadline:** Friday, May 15th

Additional waiver must be signed before you can participate. This waiver can be found at the Park and Rec office or online.

...Youth Camps/Clinics...

YOUTH UMPIRE CLINIC: BASEBALL & SOFTBALL

The clinic will have two parts: lecture/instruction and on-field positioning. This clinic is highly recommended for anyone umpiring with Park & Rec this summer. Umpires from other organizations are welcomed and encouraged to participate as well.

Dates: Wednesday, May 20th **Time:** 6 pm
Fee: \$10 **Location:** Omni Center Meeting Room

2015 ONALASKA SUMMER FOOTBALL CAMPS

Come learn what our "Pound the Rock" tradition is all about!
Instructors: Coach Yashinsky, his staff, and current and past OHS football players.

Location: OHS football practice field (806-812 11th Ave South)

Questions: Coach Yashinsky at coachyash@gmail.com

Onalaska Youth Football Camp (Incoming 4th - 8th graders)

Participants will learn the fundamental skills of football. Campers will learn both offensive and defensive positions and skills related to them. Each day there will be flag football games between campers of the same age.

Dates: July 20 & 21st

Time: 4 - 6:00 pm

Fee: \$35 Prior to July 15; \$40 after July 15; includes t-shirt

Onalaska Football Weekly Skills Camp (Incoming 4th - 9th graders)

Participants work on specific football skills. Campers are taught the fundamental offense and defense that the Onalaska High School program uses. This is a great camp for any athlete who is playing organized fall football to get a head start on learning the positions and schemes taught at both the high school and middle school level. The basic running and passing plays are taught and built upon each week.

Dates: Mondays, June 15, 22, 29, July 6, 13 & 20.

Time: 2:30 - 4 pm *(weekly attendance not required)*

Fee: \$45; includes t-shirt

HILLTOPPER BASKETBALL CAMP

NEEDED FOR ALL PROGRAMS!**

IN-HOUSE BASEBALL & SOFTBALL COACHES MEETING

Date: Tuesday June 2nd

Time 6pm

Location: Onalaska OmniCenter Meeting Room

IN-HOUSE PROGRAM INFO

Park & Rec Staff will divide players into teams. On the first day, players will come at the time and place listed, where we will hand out game/practice schedules. Teams will rotate between times listed. Park & Rec will rely on parent volunteers to coach, preferably 2 coaches per team. Park & Rec will have one staff person on site to administer/oversee the program. Any special requests must be made prior to the start of the program. All programs will end on Wednesday, July 22nd at our "Ball-A-Palooza" event. See below.

Ball-A-Palooza

Wednesday, July 22nd - 5-8:30pm

To end all of our in-house baseball & softball programs, we will be holding a "Ball-A-Palooza/Tailgate" party. All teams (even the teams that play on Tue/Thur) will play their final games of the season at the Jimmy Olson Fields by the Omni Center. Along with the games, Premier Catering will be offering a tailgate style meal of hot dogs/brats, beans & a beverage for \$3/person and Big E inflatables will be the entertainment on site. Families can go swimming at the Aquatic Center after their game free of charge from 6:30-8:30pm. More details will be handed out a few weeks before the event at your program!

Rain Date: Thursday, July 23rd

...Traveling Softball...

LEAGUE AND TOURNAMENT SOFTBALL GENERAL INFORMATION

Parents/Guardians must choose whether their child will play on a "League" traveling team or a "Tournament" traveling team. Travel teams are for players that are between ages 8-14. 8 & 9 year olds must be able to throw, field, and hit a hard softball. Your age as of January 1st, 2015 determines what level a player must play. Players at various ages may be combined to form teams or players of higher skill level may be moved up to an older age level determined at tryouts.

League Teams: Practice and play games just during the week. Teams do not play on the weekends. Typically they practice 2 days a week and play 2 games a week.

Tournament Teams: Practice and play games during the week and also play in 4 weekend tournaments. Typically they practice 2-3 times a week (depending if there is a tournament) play in 2 league games, and have Saturday and/or Sunday tournament games four times throughout the summer.

Tryouts: All players must attend tryouts, whether they are playing league or tournament. League players are evaluated so we know which division to enter teams into. Tournament players who do not make the tournament team will be placed on the appropriate league team. Teams will be determined after tryouts and posted on the City website by tryout pennie color and number.

Uniforms & Deposit: All softball players will pick up their visor, sock, & jersey on **TUESDAY, MAY 26TH** between 5:30-7:30pm at the OmniCenter. All players must pay a \$50.00 deposit & parents must sign a concussion form on this day to receive the uniform. **BLACK SOFTBALL SHORTS or PANTS** must be purchased on your own either online or at a local sporting goods dealer. The Park and Rec **WILL NOT** be ordering these. Shorts or pants from previous years may be worn.

Games: Travel time to week night league games is usually between 10-45 minutes. Coaches will ask players to be at games early, so please be aware of that, on top of travel time. All ages, 8-14, play games on Monday and Wednesday evenings at either 5:30, 7, or 8:30pm. Typically the younger teams get the earlier games, but it still will vary. Home games are played at Jimmy Olson Fields on Riders Club Road or Jaycee Fields on Quincy Street.

Practices: Practices are held on non-game days, during the week and may vary in time. Coaches determine their own practice schedule so we will not know when each team is practicing until a coach is hired or a parent volunteers. Practice times, days and locations may vary depending on field availability throughout the season.

Transportation: Parents are responsible for providing transportation to and from all practices, games and tournaments.

Softball Tryouts (LEAGUE & TOURNAMENT TEAMS)

8, 9 & 10 YEAR OLDS

If a player turns 11 before January 1st, 2015 they must play 12 & under softball. All league and tournament players in this age division attend tryouts at the same times and days listed below.

Date: Tuesday, April 21st
Time: 5-6:30pm
Location: Jimmy Olson Field on Riders Club
League Players: \$80
Tournament Players: \$120

11 & 12 YEAR OLDS

If a player turns 13 before January 1st, 2015 they must play 14 & under softball. All league and tournament players in this age division attend tryouts at the same times and days listed below.

Date: Mon, April 13th & Wed, April 15th
Time: 5:30-7:30pm
Location: Jimmy Olson Fields on Riders Club
League Players: \$80
Tournament Players: \$130

13 & 14 YEAR OLDS

If a player turns 15 before January 1st, 2015 they must play High School Softball. All league and tournament players in this age division attend tryouts at the same times and days listed below.

Date: Mon, April 13th & Wed, April 15th
Time: 5:30-7:30pm
Location: Jimmy Olson Fields on Riders Club
League Players: \$80
Tournament Players: \$130

Parent volunteers interested in coaching please contact Kraig at 781-9560 Ext. 4 before tryouts so we know you're interested.

...Traveling Baseball...

Baseball Tryouts

(LEAGUE & TOURNAMENT TEAMS)

8, 9 & 10 YEAR OLDS

If a player turns 11 before April 30th, 2015 they must play 11 & under baseball. All league and tournament players in this age division attend tryouts at the times and days listed below:

Date: Mon, April 20th & Wed, April 22nd
Time: 5:45-7:15pm
Location: Jaycee Field #1 on Quincy St.
League Players: \$85
Tournament Players: \$120

11 & 12 YEAR OLDS

If a player turns 13 before April 30th, 2015 they must play 13 & under baseball. All league and tournament players in this age division attend tryouts at the times and days listed below:

Date: Sunday, April 19th
Time: 12-2:30pm
Location: OHS Baseball Fields
League Players: \$85
Tournament Players: \$145

13 & 14 YEAR OLDS

If a player turns 15 before April 30th, 2015 they must play Junior Legion Baseball. All league and tournament players in this age division attend tryouts at the same times and days listed below:

Date: Sunday, April 19th
Time: 3-5:30pm
Location: OHS Baseball Fields
League Players: \$85
Tournament Players: \$145

Parent volunteers interested in coaching please contact Kraig at 781-9560 Ext. 4 before tryouts so we know you're interested.

LEAGUE AND TOURNAMENT BASEBALL GENERAL INFORMATION

Parents/Guardians must choose whether their child will play on a "League" traveling team or a "Tournament" traveling team. Travel teams are for players that are between ages 8-14. 8 & 9 year olds must be able to throw, field, and hit a hard baseball. April 30th, 2015 is the date which determines what level a player must play. Please register your child according to their age, NOT grade. The divisions that our teams play in are based upon single age groups. Attempts will be made to form teams at the 9, 10, 11, 12, 13 and 14 year old age levels. Each age level offers an upper and lower division. 11 and 13 year old players may be placed on 12 or 14 year old teams after tryouts, but you still register them in their correct age group. 9 year olds may also play on a 10 year old tournament or league team, depending on skill. Players at various ages may be combined to form teams if low numbers or players of higher skill level may be moved up to an older age level after tryouts.

League Teams: Practice and play games just during week. Teams do not play on the weekends. Typically they practice 2 days a week and play 2 games a week.

Tournament Teams: Practice and play games during the week and also play in 4-6 weekend tournaments. Typically they practice 2-3 times a week (depending if there is a tournament) play in 2 league games, and have Saturday and/or Sunday tournament games.

Tryouts: All players must attend tryouts, whether they are playing league or tournament. Teams will be determined after tryouts and posted on the City website by tryout pennie color and number.

Uniforms & Deposit: All baseball players will pick up their hat, belt, sock, & jersey on TUESDAY, MAY 26TH between 5:30-7:30pm at the OmniCenter. All players must pay a \$50.00 deposit & parents must sign a concussion form on this day to receive the uniform. GREY BASEBALL PANTS must be purchased on your own either online or at a local sporting goods dealer. The Park and Rec WILL NOT be ordering these. Pants from previous years may be worn. You may want to do so before Mid-May so that you have them before the games start.

Games: Travel time to week night league games is usually between 10-45 minutes. Coaches will ask players to be at games early, so please be aware of that, on top of travel time. 8-10 year olds play on Monday and Wednesday evenings at 5:30, 7, or 8:30pm. 11-14 year olds play on Tuesday and Thursday evenings at 5:30, 7, or 8:30pm.

Practices: Practices are held on non-game days, during the week and may vary in time. Coaches determine their own practice schedule so we will not know when each team is practicing until a coach is hired or volunteers. Practice times, days and locations may vary depending on field availability throughout the season.

Transportation: Parents are responsible for providing transportation to and from all practices, games and tournaments.

More Information: To register, contact West Salem Park & Rec

LEADERS IN TRAINING

This Leaders-in-Training program gives teens the opportunity to gain leadership skills and to become a role model for younger children in the Onalaska community. Leaders-in-Training will assist the summer Park & Rec Program Leaders with summer recreation programs. They will help plan activities, run programs, and help with softball/baseball practices for tots, run concession stands, assist with special events, and much more!

Reasons to participate in
Leaders-in-Training Program:

*Gain Volunteer Hours

*Gain Leadership Skills

*Become a Positive Role Model For Youth

*Develop Communication Skills With All Ages

*Develop Problem Solving & Decision Making Skills

*Make an Impact In Your Community

How To Apply: Complete an application found on our website, www.cityofonalaska.com or from our Park & Rec office and submit to: Onalaska Park & Rec, 415 Main Street. Have at least 1 reference form completed on your behalf and turned in with application. Once all materials have been received, you will be contacted for a brief interview with Park & Rec staff. You will be notified by letter of your acceptance. Only a few applicants will be accepted so it's important to turn your application and reference form in on time.

The Leaders accepted will be required to meet with the Program Director at least once every 2 weeks, if not once a week depending on activities. You will need to provide your own transportation and be flexible with the schedule (days/nights/weekend hours).

Application Deadline: Friday, May 8th **Ages:** 13-16 years old

Questions? Call Marcus Aumann, Rec Supervisor at 781-9560 Ext. 3

PICKLE-BALL

Pickle-ball is a combination of Ping-Pong, tennis and badminton and has been played for over 45 years by people of all ages. This mini-tennis game is played by 2 or 4 people on a badminton sized court using wood or composite paddle racquets and a plastic, poly ball with holes. This is a drop-in program, play when you have time. Some equipment provided, but please bring your own if able. **Register:** Contact Park & Rec to be put on the Pickle-ball email list

GUNDERSON COOKING CLASS

Here is a fun and easy way to learn how to cook healthier meals that you and your family will enjoy. Gundersen Nutrition Therapy is offering cooking classes taught by registered dietitians Valerie Pampuch and Cindy Leuk. They are passionate about good food, good cooking and good nutrition.

They will demonstrate ways to lighten up your favorite meals and create healthy new recipes! Then they will hand-off the spatula to you for some hands-on cooking. Along the way you'll learn about nutritional information, balance menus, portion sizes and more. The dietitians will also debunk some long-held myths. Perhaps best of all, you'll have a chance to sample some wonderful dishes.

Date: April 13th, 2015
Time: 5:30-7:30pm

Passes must be purchased at the Park & Rec or on-line, not at the Aquatic Center.

ONALASKA SWIM TEAM

Swim Team is designed for swimmers of all levels, however swimmers must be able to swim 25 yards non-stop. The team will compete in some out of town swim meets which are usually held on Thursday evenings an/or Saturday/Sunday afternoons. Along with the program fee, all participants are required to purchase a season pool pass and will be responsible for their entry fees for out of town swim meets.

Start Date: Monday, June 10th Days: Monday-Friday
 Time: 11:15am-12:15pm Fee: \$30R/\$40NR
 Minimum: 50 participants

EXCLUSIVE AQUATIC CENTER RENTALS

The Onalaska Aquatic Center will be available for groups to rent out for exclusive use on Saturdays & Sundays. No carry-ins are allowed & no refunds. If the Aquatic Center staff closes due to bad weather, then you can re-schedule your party date.

# of Users	Pool/No Slide	Pool/With Slides
1-60	\$150.00	\$200.00
61-136	\$175.00	\$225.00
137-236	\$200.00	\$250.00
237-336	\$225.00	\$275.00

Rental Hours

Saturday	9:30-11:30am or 7:30-9:30pm
Sunday	9:30-11:30am or 5:30-7:30pm

PRIVATE SWIMMING LESSONS

Private lessons offer one-on-one instruction for all ages and abilities. These lessons are 30 minutes long. Once you register, an instructor will contact you to schedule your lesson at a mutually agreed upon time. Private swimming lessons will take place during normal swimming lesson times or before the Aquatic Center opens on Saturday and Sunday mornings.

One class	\$15.00	Program #: 4000.104
Three classes	\$40.00	Program #: 4000.105
Six classes	\$66.00	Program #: 4000.106

Register now for your one-on-one private swimming lessons!

...Swimming Lessons...

SWIMMING LESSON CLASS DESCRIPTIONS

Parent-Tot: (6 months -3 years old) Adult accompanies the child in the water in this class. The parent and child will learn how to: enter the water safely, submerge face in the water, explore the water on the child's front and back, parent will learn how to properly support their child in the water, and the child will explore changing body positions in the water. This class does not teach the child to be safe in the water, but is merely an introduction to the water.

Pre-school Swimmers: (ages 4 and 5 years) In this course the child will learn how to: enter the water safely using a ladder, gain an overall comfort for the water, learn to submerge their face in the water comfortably, learn to move through the water, learn basic pool safety, and start to learn how to float in the water. This class is meant to teach the child how to be comfortable and safe in the water.

LEVELS 1 - 6: (AGES 6 AND OLDER)

Level 1 Introduction to Water Skills: This is for beginner swimmers. No previous experience. Must be at least 6 years of age to enroll. In this course the child will: learn to float with instructor support on their front and back, practice kicking, kicking using arm motions, bob in the water, and roll over in the water.

Level 2 Fundamental Skills: Students must have passed Level 1 skills. In this course the child will: enter the pool by jumping or stepping from the side, learn proper arm and leg movements for strokes, open their eyes under water and pick up a submerged object, start floating on their front and back without instructor support, and learn to jellyfish float.

Level 3 Stroke Development: Students must have passed Level 2 skills. In this course the child will: learn to jump into deep water from the side, submerge and retrieve objects, learn to tread water, perform a front glide with kicks, back glide with kicks, front, back, and survival floats, and learn general water safety rules. This is the longest class with how many skills are learned and many of these skills are the foundation for the swimming strokes that are learned later.

Level 4 Stroke Improvement: Students must have passed Level 3 skills. In this course the child will: learn how to dive from the side of the pool, learn and perform the swimming strokes of: front crawl, back crawl, butterfly, elementary backstroke, and more. This class is used to learn how to perform the strokes and then later building their technique and distance.

Level 5 Stroke Refinement: Students must have passed Level 4 skills. In this course the child will: understand the rules for safe diving, demonstrate how to dive from the side of the pool, swim underwater for at least three body lengths, tread water for at least two minutes, and increase the distance and technique of their other swimming strokes.

Level 6 Stroke Proficiency: Students must have passed Level 5 skills. In this final learn to swim course the child will learn proper flip turn technique for their strokes, tread water for at least three minutes, one minute without hands and two with hands, and then they will increase the distance and proficiency of their other swimming strokes.

THE AGE LIMITATIONS OF ONALASKA AQUATIC CENTER SWIMMING LESSONS SHOULD BE RESPECTED DUE TO THE DEVELOPMENTAL ABILITIES OF THE CHILD. IF THE CHILD IS NOT OLD ENOUGH TO ENROLL IN A CERTAIN LEVEL THEY WILL NOT BE ABLE TO ENROLL.

Healthy Swimming Tips

You can choose to swim healthy! You have the power to help keep germs out the water in places we swim in the first place. Remember, chlorine and other disinfectants don't kill germs instantly. Additionally, the mixing of chlorine with pee and sweat uses up the chlorine in the pool, which would otherwise kill germs.

We all share the water we swim in, and each of us needs to do our part to help keep ourselves, our families, and our friends healthy. To help protect yourself and other swimmers from germs, here are a few easy and effective steps all swimmers can take each time we swim:

- 1) Don't swallow the water you swim in!
- 2) Don't swim when you have diarrhea.
- 3) Shower with soap before you start swimming.
- 4) Take a rinse shower before you get back into the water.
- 5) Take bathroom breaks every 60 minutes.
- 6) Wash your hands after using the toilet or changing diapers.
- 7) Take children on bathroom breaks every 60 minutes or check diapers every 30-60 minutes.
- 8) Change diapers in the bathroom or diaper-changing area and not at poolside where germs can rinse into the water.

For more great tips and information on swimming safety please visit www.cdc.gov

GROUP CLASSIFICATION

- Group 1:** Directly affiliated with the City of Onalaska
Groups, committees or organizations who are directly affiliated with the City or operate for the benefit of the City of Onalaska.
- Group 2:** Service, Civic, Charitable & Educational
Service groups, civic groups, charitable organizations, education institutions oriented in the Onalaska community with tax-exempt status (Rotary, Lions, Jaycees, Etc)
- Group 3:** City Residents not affiliated with the City of Onalaska
Non-civic, private, religious and commercial groups who are located in the City
- Group 4:** Non Residents
Non-civic, private, religious and commercial groups who are located outside the City

RENTAL INFORMATION

Shelters are on a first come, first serve basis. Shelters may be rented from 8am to 11pm, May to September. To rent a shelter, full payment to Park and Rec is due at the time of booking to secure your date. We do not take reservations over the phone. If you are interested in a shelter, call 781-9560 to check availability. All shelter rentals are non-refundable and can only be reserved up to one year in advance. All shelters require a key pick up the last weekday before your event as we are not open on the weekends. A \$50 deposit is due at time of key pick up, cash or check only.

CERTIFIED MAIL
7013 3020 0001 7472 3093

CITY OF ONALASKA
415 MAIN ST
ONALASKA, WI 54650

Reference: Project ID 7190-06-21
Onalaska - USH 53
STH 35; La Crosse County
Parcel No. 20

In compliance with Wisconsin statutes and federal regulations, you are receiving this letter, along with the enclosed appraisal report, to initiate negotiations for the acquisition of your property and/or property interests needed for the above referenced highway project. In addition, I have enclosed the following documents:

- Agreement for Purchase and Sale of Real Estate
- Appraisal Guidelines and Agreement
- Internal Revenue Service Form W-9
- Legal description of the land and/or interest(s) needed for the project
- Names of neighboring landowners affected by the project
- "The Rights of Landowners Under Wisconsin Eminent Domain Law"
- Transportation Project Plat
- Statement to Construction Engineer

The Wisconsin Department of Transportation's (WisDOT) determination of compensation, based on the fair market value of the property, is as follows:

Allocation	Description	Size	Unit	Per Unit	Value (\$)
Land		0.010	Acres	\$100,000.00	\$1,000.00
Temporary Limited Easement (TLE)		0.030	Acres	\$10,633.33	\$319.00
Appraiser Rounding					\$81.00
Total Allocation					\$1,400.00

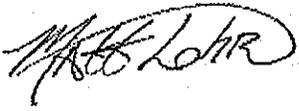

If you agree with the values determined in the appraisal report and wish to enter into an agreement with WisDOT, sign the enclosed Agreement for Purchase and Sale of Real Estate and return it in a timely manner in the enclosed self-addressed, postage-paid envelope to WisDOT for final review and approval.

Once WisDOT is satisfied that the negotiations are complete, a fully executed (signed) copy of the agreement will be sent to you, and I will contact you to arrange for payment and closing. Please note that your execution of the Agreement for Purchase and Sale of Real Estate alone is not sufficient to result in an enforceable contract for the purchase of the needed property.

If you are not satisfied with the above-stated conclusions of value for your property, you are eligible to obtain an additional appraisal from a qualified appraiser of your choice. If you elect to have an appraisal report prepared, you must take certain steps to qualify for reimbursement. **Your eligibility for appraisal cost reimbursement will expire 60 days from your receipt of WisDOT's appraisal, which is estimated to be on April 7, 2015.** See the enclosed Appraisal Guidelines and Agreement document for further explanation. If your appraisal report is submitted after the 60-day statutory date, the department will consider it for negotiation purposes; however, it will not be eligible for reimbursement.

WisDOT wants you to be satisfied that your property and your rights have been fully considered. We will provide any additional information you request, if available, or further discuss any concerns you may have. If you have any questions, you may contact me at 608-246-5627.

Sincerely,

A handwritten signature in black ink, appearing to read "Matt Lohr". The signature is written in a cursive, flowing style with a large initial "M".

Matt Lohr
Real Estate Specialist
